NARRATIVE:

Richard Michael is a documented gang member with an extensive adult criminal history that began at the age of 18. His convictions include felon in possession of a firearm, illegal possession of ammunition, possession of controlled substances while armed with a firearm, transporting and sales of controlled substances while armed with firearm, receiving stolen property, possession of narcotic controlled substances for sale, driving under the influence of drugs and alcohol, violation of parole, false checks and forged vehicle registration. He has served multiple state prison terms, the longest being a 14 year term for transporting and sales of controlled substances while armed with firearm. Michael was released from state prison to the supervision of the Los Angeles County Probation Department on November 30, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in April 2015 after he absconded from post release community supervision (PRCS). Michael qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for transporting and sales of controlled substances while armed with firearm is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
